TITLE I INFORMATION

Title 1 newsletters are available on our school website under the Parent Info tab.

The purpose of these monthly newsletters is to provide busy parents with practical ways to promote school readiness, parent involvement, and more effective parenting.

Links to the HES School Improvement Plan, Parent Involvement Plan, and the Citrus County School District Parent Involvement Plan are located on the home page of our school website, <http://hes.citruschools.org>.

Fundraising Activities

HES sponsors several fundraisers each year, including student pictures, for different purposes. Profits from fundraising will be used, among other things, to purchase school wide needs, such as playground equipment, technology supplies, instructional support materials, campus beautification and student rewards including food and other consumable items. A portion of these funds, no greater than 10%, may be used to provide food and other consumable items for faculty and staff meetings, and staff appreciation. We appreciate your support of the HES community.
